

Behavioral Risk Factor Surveillance System

Percent of adult drinkers who have not driven after having too much to drink, 2018

*Median

Source: [Behavioral Risk Factor Surveillance System](#), conducted by the Centers for Disease Control and Prevention. 2018 data.

Question: "During the past 30 days, how many times have you driven when you've had perhaps too much to drink?" Asked of those who drive or ride in a car *and* have had at least one drink in the past 30 days.

Sample: Age 18+, all U.S. states and territories.

Base: Had alcohol in the past 30 days (55%) ("During the past 30 days, how many days per week or per month did you have at least one drink of any alcoholic beverage such as beer, wine, a malt beverage, or liquor?")
