

NATIONAL

Anheuser-Busch and our wholesaler partners have invested more than \$1 billion in responsible drinking initiatives and community-based programs to prevent underage drinking, impaired driving and other harmful use of alcohol.

UNDERAGE DRINKING PREVENTION

UNDERAGE DRINKING IS DECLINING⁸

Anheuser-Busch wholesalers promoted the We ID program with more than **52,000 RETAILERS** in their markets in 2019.

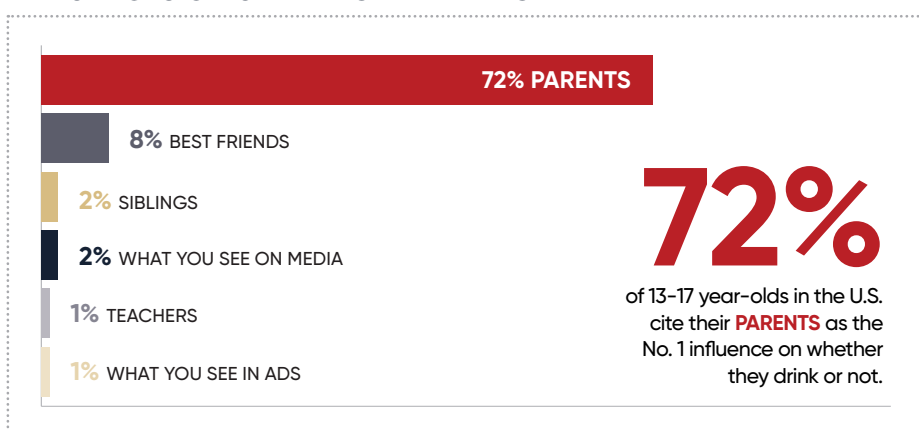

In 2019, **88 A-B WHOLESALERS** promoted the Family Talk About Drinking program with organizations such as schools and parent groups.

Since 1998, A-B and its wholesalers have helped educate more than 5 million students and military personnel on making smart choices by hosting **15,201 ANHEUSER-BUSCH COMMUNITY SPEAKER PRESENTATIONS.**

INFLUENCES ON UNDERAGE DRINKING²

59% of 12-20 year-olds in the U.S. get their alcohol from adults such as parents, guardians, other family members or unrelated adults.¹

COLLEGE SNAPSHOT

37% The percentage of college students who had five or more drinks in a row in the past two weeks (28%) is **DOWN 37%** from its peak in 1984.³

Since 1999, A-B has **INVESTED MORE THAN \$13 MILLION** to support social norms programs at universities across the country to help reduce alcohol harms and increase protective behaviors.

Since 1999, A-B has partnered with the Alcohol Medical Scholars Program that has trained 119 medical doctors and researchers who have taught more than **17,000 MEDICAL STUDENTS AND HEALTH PROFESSIONALS** across the country how to identify and care for people with alcohol use disorders.

A-B wholesalers participated in alcohol education programs with **656 COLLEGES AND UNIVERSITIES** in 2019.

NATIONAL

Anheuser-Busch and our wholesaler partners have invested more than \$1 billion in responsible drinking initiatives and community-based programs to prevent underage drinking, impaired driving and other harmful use of alcohol.

ALCOHOL-IMPAIRED DRIVING PREVENTION

A-B and its wholesalers supported Safe-Ride programs by providing more than **3.7 MILLION SAFE RIDES** from bars and restaurants since 1989.

Through support by A-B and A-B wholesalers, more than **637,000 ALCOHOL SERVERS** have been trained on responsible serving techniques to help prevent alcohol-impaired driving and underage drinking since 1989.

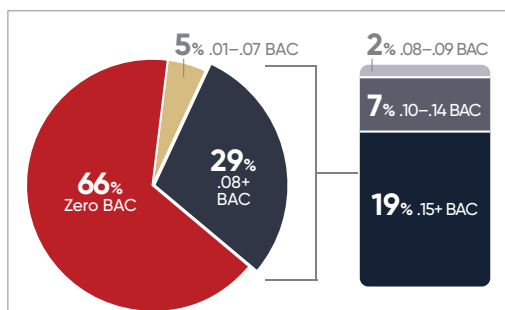

In 2019, A-B wholesalers partnered with **750 PROFESSIONAL AND LOCAL SPORTS TEAMS/TRACKS** to implement responsible fan programs, with more than 759,000 consumers pledging to plan ahead for safe rides.

A-B has partnered with **THE TRAFFIC INJURY RESEARCH FOUNDATION (TIRF)** since 1990, investing nearly \$3 million in TIRF's ground-breaking research on alcohol-impaired driving and identification of practical ways to improve the efficiency and effectiveness of the criminal justice system.

MOST ALCOHOL-IMPAIRED DRIVING FATALITIES INVOLVE HIGH-BAC DRIVERS⁴

66% of vehicle fatalities involve a driver who had not been drinking (**Zero BAC**).

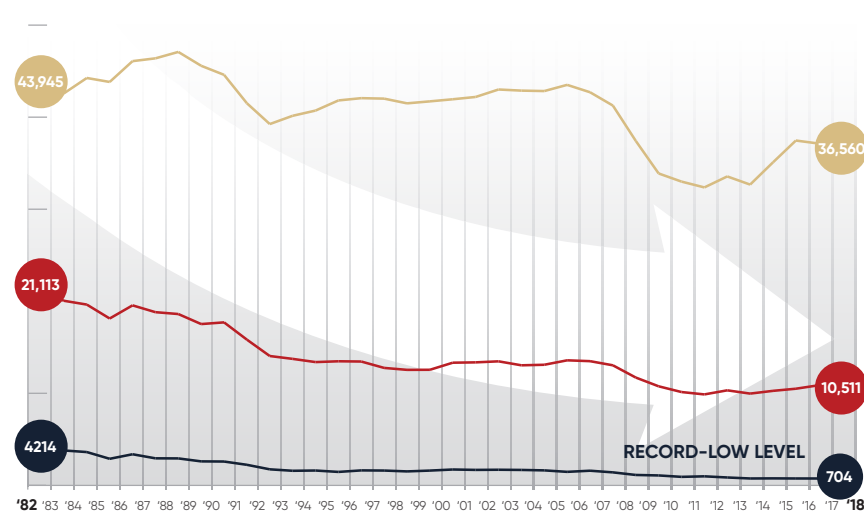

67% of alcohol-impaired driving fatalities involve a driver with a High BAC (.15+ BAC).

.18 is the average BAC among alcohol-impaired drivers involved in fatal crashes.

"BAC" is Blood Alcohol Concentration.

ALCOHOL-IMPAIRED DRIVING FATALITIES DOWN LONG-TERM⁴

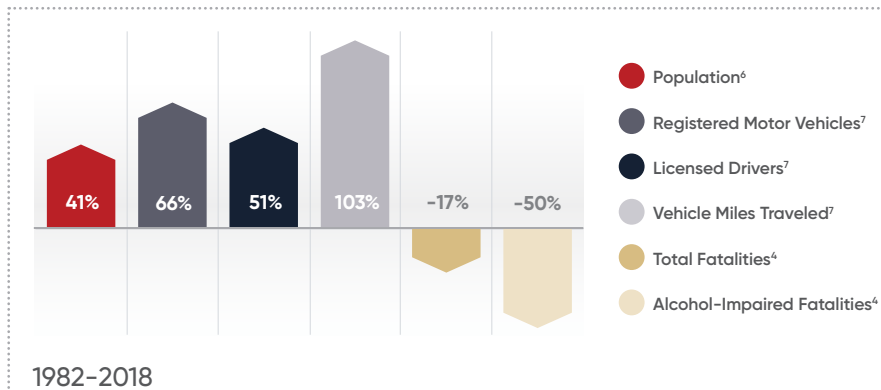

DRIVING FATALITIES	TOTAL ALCOHOL-IMPAIRED FATALITIES	TEEN ALCOHOL-IMPAIRED FATALITIES
Since 1982	Since 1982	Since 1982
17% ↓	50% ↓	83% ↓

187 MILLION

American adults 21+ take safe rides.⁵

ALCOHOL-IMPAIRED DRIVING FATALITIES DECLINE DESPITE MORE CARS AND DRIVERS ON THE ROAD
