

CONNECTICUT

Anheuser-Busch and our wholesaler partners have invested more than \$1 billion in responsible drinking initiatives and community-based programs to prevent underage-drinking, impaired driving and other harmful use of alcohol.

UNDERAGE DRINKING PREVENTION

UNDERAGE DRINKING IS DECLINING¹

U.S. Department of Health & Human Services

Anheuser-Busch wholesalers in Connecticut promoted the We ID program with **35 RETAILERS** in their markets in 2019.

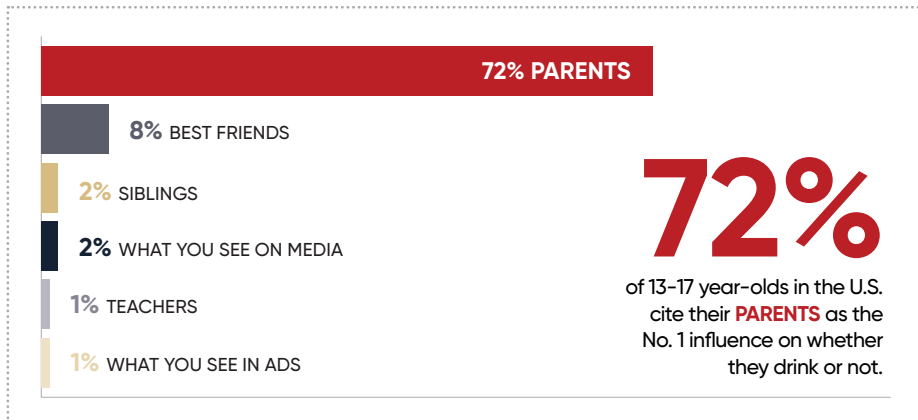

In 2019, **88 A-B WHOLESALERS** promoted the Family Talk About Drinking program with organizations such as schools and parent groups.

Since 1998, A-B and its wholesalers in Connecticut have helped educate more than 112,700 students and military personnel on making smart choices by hosting **229 ANHEUSER-BUSCH COMMUNITY SPEAKER PRESENTATIONS.**

INFLUENCES ON UNDERAGE DRINKING²

58% of 12-20 year-olds in the U.S. get their alcohol from adults such as parents, guardians, other family members or unrelated adults.¹

COLLEGE SNAPSHOT

The percentage of college students who had five or more drinks in a row in the past two weeks (33%) is **DOWN 28%** from its peak in 1984.³

Since 1999, A-B has **INVESTED MORE THAN \$13 MILLION** to support social norms programs at universities across the country to help reduce alcohol harms and increase protective behaviors.

The percentage of college freshmen who drink beer frequently (3.6%) is **DOWN 85%** from its peak in 1981.⁸

A-B wholesalers participated in alcohol education programs with **TEN CONNECTICUT COLLEGES AND UNIVERSITIES** in 2019.

CONNECTICUT

Anheuser-Busch and our wholesaler partners have invested more than \$1 billion in responsible drinking initiatives and community-based programs to prevent underage-drinking, impaired driving and other harmful use of alcohol.

ALCOHOL-IMPAIRED DRIVING PREVENTION

A-B and its wholesalers supported Safe-Ride programs in Connecticut by providing more than **10,300 SAFE RIDES** from bars and restaurants since 1989.

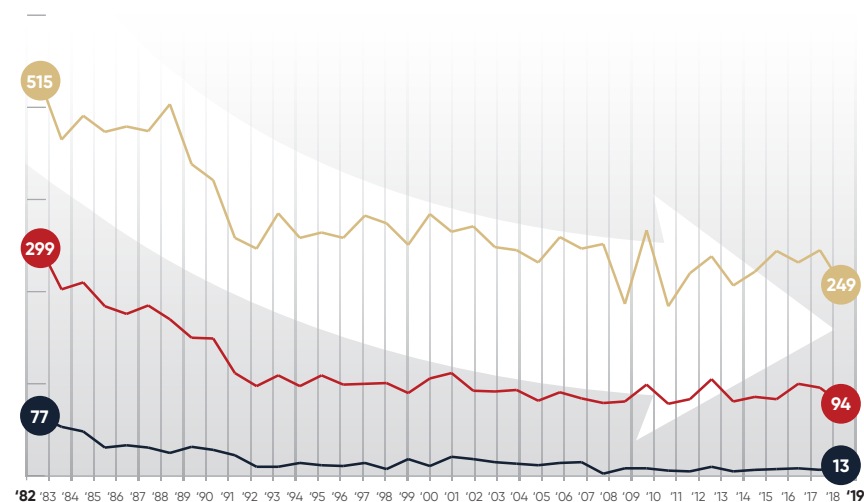

Through support by A-B and Connecticut A-B wholesalers, more than **22,100 ALCOHOL SERVERS** have been trained on responsible serving techniques to help prevent alcohol-impaired driving and underage drinking since 1989.

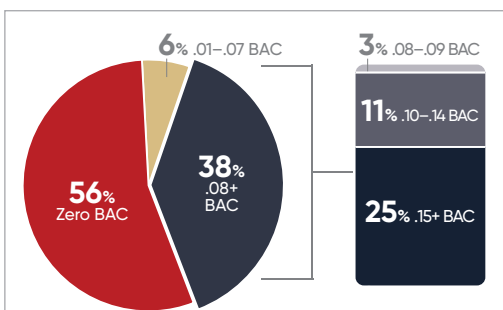

In 2019, A-B wholesalers partnered with **750 PROFESSIONAL AND LOCAL SPORTS TEAMS/TRACKS** to implement responsible fan programs, with more than 759,000 consumers pledging to plan ahead for safe rides.

ALCOHOL-IMPAIRED DRIVING FATALITIES DOWN LONG-TERM⁴

DRIVING FATALITIES	TOTAL ALCOHOL-IMPAIRED FATALITIES	TEEN ALCOHOL-IMPAIRED FATALITIES
Since 1982	Since 1982	Since 1982
52% ↓	69% ↓	83% ↓

MOST ALCOHOL-IMPAIRED DRIVING FATALITIES INVOLVE HIGH-BAC DRIVERS⁴

56% of vehicle fatalities involve a driver who had not been drinking (**Zero BAC**).

64% of alcohol-impaired driving fatalities involve a driver with a High BAC (.15+ BAC).

.18 is the average BAC among alcohol-impaired drivers involved in fatal crashes.

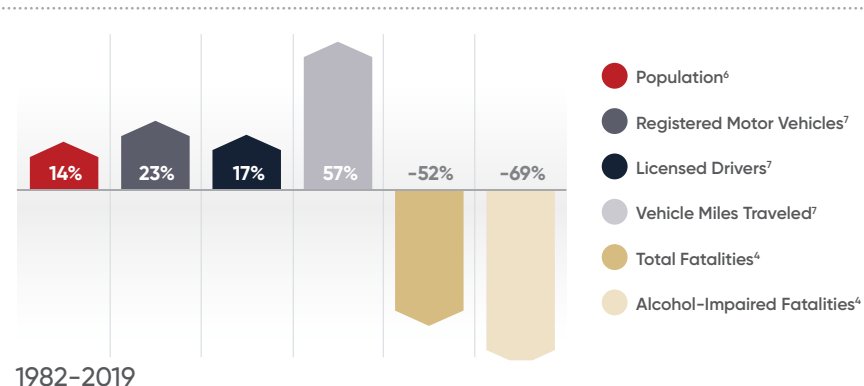

"BAC" is Blood Alcohol Concentration.

172 MILLION

American adults 21+ take safe rides.⁵

ALCOHOL-IMPAIRED DRIVING FATALITIES DECLINE DESPITE MORE CARS AND DRIVERS ON THE ROAD
